President's Message

Happy New Year, Carle Place!

As we start 2024, we would like to thank the families and businesses who have supported us. All 330 of you have enabled us to fund: the Fun Run, Carnival, Family Movie Night, Trunk or Treat, and the Annual Tree Lighting! In addition, we were able to assist various local organizations with their goals last year. CPCA's Board of Directors work tirelessly behind the scenes as our unincorporated hamlet's voice in the Town and County. We are constantly in touch with our local officials about your concerns.

If you don't see your name or business listed, please consider joining us with a membership of just \$20. We hope to see you at our first meeting of 2024 on Wednesday, January 17th at 8PM in the CPHS Barry Dennis Conference Room. In addition, if you have a high school junior or senior, your family MUST have a PAID MEMBERSHIP OF TWO YEARS TO BE ELIGIBLE for our scholarships. Current members include:

Editor's Note

I am going to start the New Year off with a song quote:

"If this weather makes you frown, and some people get you down, remember
Love's like sound, It's better when it's loud.
And if there's no sun in sight, we can bring the light together
Day or night, we're shining from inside."

Turn Up the Sunshine - Diana Ross and Tame Impala

Cheers to a bright 2024!

The New school year is here with a Party! – The Arts and Education Booster Club has so much happening for the beginning of the school year.

Middle School Production: January 12 & 13

The Middle School Production was a HUGE HIT!!

First time a lot of the students were on the stage. First Time Director - Cale Place 2017 Alumni Sydney Perruzza - worked diligently with the students to accommodate all the activities these kids are involved in, to make this a successful show. The production was a feel good, coming of age story on juggling Friends, Family, and an Invite list for the biggest party. They had a great turnout, and it was such a great time. I am hopeful the future thespians involved in this will continue their Journey in the Theatre.

Focus: Rialto – Good Food, Good Friends
by Wendy Liotti, Board of Directors,
Westbury-Carle Place Chamber of Commerce

Rialto has provided the Carle Place community and beyond with an extraordinary experience for many years. Not only is Rialto a top choice for quality food, but the owners and staff treat you like family and you soon become good friends. Chef and Owner Fabio Ventura took over the ownership of Rialto in July of 2022 from former owner and founder of Rialto, Mario Fuentes. Fabio has been involved in the food industry for 35 years. He knew Mario for many years and often helped him out in the kitchen. Although there have been some changes to the menu, Fabio has retained the concept of top quality, freshly made food in the Northern Italian-American tradition.

Fabio’s parents came to the US from El Salvador and settled in Texas. After visiting his uncle in New York at the age of 17, Fabio decided to stay and began his long career in the restaurant business. He was inspired by his cousin and top Italian chefs with the dream of owning his own restaurant. That dream came true in 2022. Fabio runs Rialto with his son John who is the face of the business and oversees the operation. John’s warm and welcoming personality enables his to provide exceptional customer service. Fabio’s wife and daughter also work in the restaurant, making it a true family business.

The secret to Rialto’s success is quality. Fabio only uses the premier, freshest ingredients for his culinary creations. Fabio often begins his day at 9 am in preparation for that evening’s dinner because it takes time to make everything from scratch every day in a “farm-to-table” concept. The menu offers specials every day, and some of the most popular menu items are osso buco, fresh branzino, almond chicken, pear salad, and his signature lobster ravioli. Desserts are also made on the premises including tiramisu, cheesecake, and his unsurpassed zuccotto. Aside from its eat-in customers, Rialto will cater your event in or out of the restaurant and has an extensive take-out menu which includes a family meal option.

According to Fabio, business is good thanks to their loyal customers and the experience he and his staff provide to newcomers. “When they come once, we want them to come back.” With the combination of quality food and exceptional service, customers feel like they are treated like family and they bring their friends. That’s the concept that makes Rialto a success: Good Food, Good Friends.

CONCORD PEST CONTROL, LLC.

MICE ARE ONLY FUNNY IN CARTOONS!

They spread more germs than you know. Sure, you know that mice can spread diseases like Hantavirus and Salmonella, but that's just the beginning. Mice can actually carry as many as 200 human pathogens! Did you know that a house mouse produces between 40 and 100 droppings per day? In addition, house mice constantly give off micro-droplets of urine as they travel around their territory every day.

One mouse can turn into many mice...quickly! A female house mouse can give birth when they are only two months old, and they are able to have up to a dozen babies every three weeks. If you spot a mouse in your home, it is safe to assume there are more or there will be soon.

We also offer control for ants, crickets, roaches, rodents, termites, wasps, yellow jackets, wildlife removal and service to commercial accounts.

American Legion Unit 1718 by Regina Larson

Did you know that Carle Place has an American Legion Auxiliary and that it was founded on February 25, 1949?

The Auxiliary was founded to support the efforts of the American Legion Post 1718 Carle Place. As the years have passed, the group has continued to not only support Carle Place's own American Legion but also to reach out to all veterans in any way necessary or feasible, i.e., food pantries, gift baskets for Veteran's hospitals, holiday packages to serving vets, etc.

We meet on the first Thursday of the month at 1:00 pm in St. Mary's Episcopal Hall. Membership eligibility requires direct relationship to past or present veteran status of a grandparent, parent, spouse, sibling or child. If you are interested in becoming a member of the Auxiliary and would like more information, please send your request to: American Legion Auxiliary, PO Box 127, Carle Place, NY 11514--0127.

An important part of our fundraising centers around the distribution of poppies which occurs around Memorial Day and Veteran's Day. The red poppy is a nationally recognized symbol to honor those who have served and/or died for our country in all wars. The Friday before Memorial Day is National Poppy Day.

We would like to thank the following local businesses for supporting our poppy drive with their very generous donations:

- Carle Place Automotive
- Chen's Cleaners
- Compass/Rowan Realty
- King House

We would also like to thank the following local businesses for allowing us to solicit donations at their place of business:

- Majestic Diner
- Thomas' Eggery
- Stop and Shop

Thank you for supporting our Auxiliary.

Carle Place Seniors by John T. Heslin

Happy New Year! Hope 2024 is a happy and healthy one for all.

The Carle Place Seniors closed out 2023 with a great Christmas Holiday Party at Verdi's of Westbury. A great time was had by the 124 members and guests present. The food was good and the DJ had us up dancing to the sounds of the oldies. We thank all the merchants and members who donated gifts for the raffle.

In November, 50 Seniors went on an overnight trip to Lancaster, PA. to see two shows – The Miracle of Christmas at the Sight and Sound Theater and The First Noel Christmas Show at the American Music Theater. Both shows were excellent. Many started their Christmas shopping at the Kitchen Kettle Village and Cracker Barrel stops. Meals and accommodations at the Hershey Farm Inn were all part of the trip.

On December 6th, the Seniors once again participated in the Intergenerational Concert at the Carle Place High School Auditorium. Every year we join the School District's students from Cherry Lane up through the High School Chorus in a Christmas Concert. Under the guidance of HS music teacher, Jessica Younker, the Seniors gave a stellar performance.

In March 2024, we start our 60th year as a Club. Come join us on Tuesdays at the Charles Fuschillo Park. Dues are \$15 per year. Pizza parties, casino trips, dinners at Casa di Fratelli on Tuesday nights with a special price-fixed menu for Seniors, guest speakers and more are enjoyed by the members. Prior to meeting time of 1:00 PM, coffee and cake and Arts and Crafts are enjoyed.

As an off-shoot of the Seniors' Club, many members participate in Broadway shows, the John Engeman Theater in Northport subscriptions, and even European trips that have included Paris to Normandy River Cruise, Germany, and next year's Spain to Greece cruise. We have also taken the Mississippi Queen River Boat from New Orleans to Memphis. Many people join the Seniors upon retirement and find it to be quite a surprise. The stigma of being "old" to join a Senior Citizen group does not exist with the Carle Place Seniors. We do a lot more than play Bingo (which by the way, we do play every Tuesday after the meeting).

Stay safe!
- John Heslin

Letter from CP Fire Department by Willie Geddish

Greetings and Happy New Year from the Carle Place Fire Department. A new year brings a (somewhat) new slate of officers to the Carle Place Fire Department, as follows: Timothy Stellato, Chief of Department; Michael Geddish, 1st Assistant Chief; William Geddish, 2nd Assistant Chief; Joseph Alfaro, Captain; Nathanael Augustin, 1st Lieutenant; Brian Monk, 2nd Lieutenant; Matthew Pasquarella, President; Caleb Giordano, Vice President; Alex Pavelka, Treasurer; Alex Kruk, Recording Secretary; and Hector Rivera-Bermudez, Corresponding Secretary.

Snow is always a possibility in the North East during the winter. For those who live near a hydrant, we ask that you help us out by: (1) removing snow and ice within a 3-foot perimeter of the hydrant; (2) shoveling a pathway from the hydrant to the street so that our firefighters can access it; and (3) trying to remove any ice that might have formed on the hydrant itself. Here is an often shared, but helpful image:

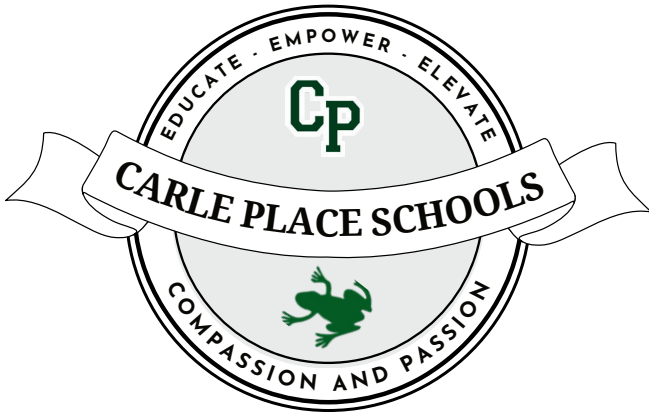

My sincere hope is that I shared that for nothing, and we have another snowless winter. But, shoveling out hydrants helps us find them in the heavy snowfall, and also helps save us time from having to shovel them out ourselves in order to use them. In the fire business, seconds count.

As always, you can check us out on our website www.carleplacefire.org or on Instagram or Facebook @carleplacefiredept. You can also email info@carleplacefire.org to set up a tour of the Fire House or meet with an officer to learn more. We'll see you around town.

**Firematically yours,
Willie Geddish, 2nd Assistant Chief**
